CURRENT PRACTICE:

08/2015 - present – Staff Physician, Interventional Pain Medicine, Florida Spine Institute, Clearwater, FL

HOSPITAL STAFF PRIVILEGES:

08/2010 – 06/2011: Helen Hayes Rehabilitation Hospital, 50 Route 9W, West Haverstraw, NY, 10993

4/2015 – present: Health South Rehabilitation Hospital, 4399 Nob Hill Road, Sunrise, FL 33351

4/2015 – present: Health South Rehabilitation Hospital, 901 Clearwater Largo Rd N, Largo, FL 33770

BOARD CERTIFICATION:

Diplomate of the American Board of Physical Medicine and Rehabilitation

Licensure

1) State of Florida

AWARDS AND HONORS:

12/2000 – Dean’s List-University of Miami College of Engineering

1997-2001 – Florida Academic Scholar

MEMBERSHIPS IN HONORARY AND PROFESSIONAL SOCIETIES:

10/2012 – present – American Academy of Physical Medicine and Rehabilitation

11/2012 – present – American Society of Interventional Pain Physicians

11/2012 – present – American Academy of Pain Medicine

PUBLICATIONS:

Pending Publication: A Medication Combination for the Treatment of Central Post-Stroke Pain via the Adjuvant use of Prednisone with Gabapentin: A Case Report. Accepted for publication by the journal *PM&R*. DOI information: 10.1016/j.pmrj.2015.09.010.

03/09/2013: - Successful Treatment of Central Post-Stroke Pain via a Novel Combination of Prednisone as an Adjuvant to Gabapentin: A Case Report. Poster presentation at the 2013 Association of Academic Physiatrist’s annual meeting on 03/09/2013.

04/01/2013: Central Post Stroke Pain: A brief review of pathophysiology and treatment methods - Southern Pain Society newsletter: April 2013.

10/04/2013: Determination of Ultrasound-Guided Intraarticular Hip Joint Injection Accuracy with Cadaver Dissection - Poster presentation at the 2013 American Academy of Physical Medicine and Rehabilitation Annual Assembly. Poster was nominated for “Best Musculoskeletal Medicine Research Poster Presentation.”

10/04/2013: - The Role of Physiatry in the Management of Primary Congenital Lymphedema: A Case Report Poster presentation at the 2013 American Academy of Physical Medicine and Rehabilitation Annual Assembly.

ENGINEERING EXPERIENCE:

April 2002 – October 2003 - **Regulatory Affairs Associate**

Cordis, a Johnson & Johnson company, Miami Lakes, FL

1. Advanced a \$250 million revenue sector by writing several Letters to File for Class II products, thereby automatically making catheters available immediately to cardiologists.
2. Managed and analyzed, on average, 75 design change requests per month.
3. Led product development teams towards a regulatory submission by guiding and informing the teams of the proper regulatory requirements.

October 2001 – April 2002 - **Worldwide Technology Development Intern**

Cordis, a Johnson & Johnson company, Miami Lakes, FL

1. Researched and perfected the parameters for an \$18 million electropolishing processing project for stents.
2. Collected and tabulated data along with executing data analysis.
3. Performed visual inspections and provided observatory input for improved stent processing

PRESENTATIONS:

Journal Club:

1/9/12: “Brief psychosocial education, not core stabilization, reduced incidence of low back pain: results from the Prevention of Low Back Pain in the Military (POLM) cluster randomized trial.” Presented to the Department of Physical Medicine and Rehabilitation, University of Miami-Miller School of Medicine.

3/11/12: “Efficacy of Methylphenidate in the Rehabilitation of Attention Following Traumatic Brain Injury: A Randomized, Crossover, Double Blind, Placebo Controlled Inpatient Trial.” Presented to the Department of Physical Medicine and Rehabilitation, University of Miami-Miller School of Medicine.

PERSONAL SKILLS/INTERESTS:

1. Fluent in Spanish
2. Self-taught guitarist
3. Muay Thai kickboxing and Brazilian Jiu-Jitsu practitioner
4. April 2005 - American College of Sports Medicine Certified Personal Trainer
